INDUSTRY LEADER

Riggs Distler employs the industry's most skilled and experienced project managers and union craft personnel to deliver lasting solutions, no matter how challenging or complex the drill project.

Our self-contained drilling trucks can provide 12", 18", and 24" diameter holes with depths of up to 10'. Utilizing our skill and equipment, we adapt easily to the landscapes in the North East and Mid Atlantic regions. With our commitment to safety, planning, extensive fleet and efficiency, we act as a turnkey partner so that our clients can focus on their business.

We currently serve all major utility companies in NJ, PA, NY, NH, MA, RI, VT, CT and ME as well as numerous private companies.

RIGGS DISTLER'S FIRST COMMITMENT IS TO ENVIRONMENTAL AND WORKPLACE SAFETY

- *Proud member of the Gold Shovel Certification Program*
- *Require independent dig safe mark outs to ensure safe and efficient digging*
- *Comply with OSHA Silica requirements for dust control, minimize dust with water, offers dust masks to workers and general public in the area.*
- *Supply covers and cones to secure the hole once complete*
